Instructions - 2015 Nonresident Request for Release from Withholding

In general, if paying a nonresident an Iowa nonwage payment, Iowa withholding must be withheld at a rate of 5% of the payment amount. Nonresidents who prefer to make an Iowa estimated payment instead must file this Nonresident Request for Release from withholding form. Any income paid in excess of the amount stated will be subject to withholding.
Who needs to file and pay estimates? Anyone who expects to have a tax liability of $200 or more when filing their Iowa income tax return needs to file and pay estimated taxes. The IA 1040ES vouchers and instructions are available from our website at www.iowa.gov/tax.
Exempt: Nonresidents who are exempt from filing an Iowa return or from paying estimated tax should check the box.
Tax due: If tax is due, this form must be submitted with the tax due and appropriate IA 1040ES voucher to the Iowa Department of Revenue. This form must be filed prior to receiving the Iowa-source payment/income.
Mail to: The request for release from withholding, payment, and voucher, if applicable, should be mailed to Compliance Services, Iowa Department of Revenue, PO Box 10456, Des Moines IA 50306. Upon receipt of this properly completed form and applicable payment, the Department will issue a letter to the payer authorizing payment without Iowa withholding.
You must file an Iowa income tax return if:

* You were a nonresident or part-year resident and your net income from Iowa sources was $1,000 or more
* You were a nonresident or part-year resident and subject to Iowa lump-sum tax or Iowa minimum tax, even if Iowa-source income is less than $1,000.
