

Instructions

This exemption certificate is valid for Liquefied Petroleum Gas (LPG), Liquefied Natural Gas (LNG), Compressed Natural Gas (CNG), or Hydrogen only.

All portions of the exemption certificate must be completed. This form is only valid if signed by the purchaser. The form should be retained by the seller for three years.

This certificate is required only when fuel is withdrawn from metered highway storage for exempt purposes.

Exemptions are limited to the following:

- a. Placed directly into the fuel supply tank of a non-highway motor vehicle.
- b. Placed directly into a fuel supply tank which is connected to the heating or cooling unit installed on a highway "reefer" unit, provided the fuel supply tank is not connected nor has provisions for connection directly or indirectly to the power source of the highway motor vehicle.
- c. Placed into carryout containers.
