**IA 148 Iowa Tax Credits Schedule must be completed.**

An Iowa E15 Plus Gasoline Promotion Tax Credit is available to retail dealers of gasoline who operate fuel pumps at an Iowa retail fuel site. Tank wagons are considered retail fuel sites. The tax credit is available to retail dealers that sell gasoline classified as E15 or higher, which is ethanol blended gasoline formulated with a minimum percentage between 15% and 69% by volume of ethanol and not classified as E85 gasoline.

A taxpayer may claim the E15 Plus Gasoline Promotion Tax Credit even if the taxpayer claims the Ethanol Promotion Tax Credit (IA 137) for the same ethanol gallons.

The tax credit equals three cents multiplied by the total number of gallons of E15 Plus gasoline sold between January 1 and May 31 and E15 Plus gasoline sold between September 16 and December 31. The tax credit equals ten cents for E15 Plus gasoline sold between June 1 and September 15.
