Signature(s): _____ Date: _____

Title: _____

If you have been issued an award under Iowa Code section 15.331C from the Iowa Economic Development Authority (IEDA) you may be eligible for an income tax credit for sales and use taxes paid by a third party developer.

Complete this third party developer tax credit application and submit it along with the Iowa Contractor's Statement and a copy of the tax credit certificate issued by IEDA listing your award limits that reflects the maximum amount of credit that you are eligible to request using this application.

The application shall not be submitted until after the "contract completion" as defined in Iowa Code section 15.331A. The application must be submitted within one year after the "project completion date" as defined in Iowa Code section 15.327.

If your IEDA tax credit certificate is in the name of more than one entity, attach an explanation describing how you wish your credit to be allocated between the entities.

Once the Department verifies the amount of the sales and use taxes paid, a tax credit certificate for the third party developer tax credit will be sent to you. The tax credit can then be claimed on your Iowa tax return by using the appropriate tax credit code listed below, the tax credit certificate number, and the tax credit amount. Taxpayers claiming the tax credit on the IA 1040, IA 1040C, IA 1041, IA 1120, IA 1120F, or against the insurance premium tax or moneys and credits tax, must include the IA 148 Iowa Tax Credits Schedule with your income tax return.

Tax credit code	Tax credit program name
46	Nonrefundable sales taxes paid by third party developer
62	Refundable sales taxes paid by third party developer
47	Nonrefundable racks, shelving, and conveyor equipment
97	Refundable racks, shelving, and conveyor equipment
