Instructions for 2022 IA 100F – Iowa Capital Gain Deduction Sale of Employer Securities to a Qualified Iowa ESOP

The Iowa capital gain deduction is subject to review by the Iowa Department of Revenue. The Department will use this form to verify that the taxpayer(s) qualifies for the deduction. The Department may request additional information if needed.

This completed form must be included with the IA 1040 to support the Iowa capital gain deduction claimed. Complete a separate IA 100F for each sale to a qualified Iowa ESOP. Complete the form each year of a qualifying installment sale, including all parts.

For taxpayers filing separately on the same return, each spouse must complete an IA 100F for the Iowa capital gain deduction claimed based on the spouse's ownership percentage in the employer securities.

Flowcharts to assist in determining if a gain qualifies are also available in the expanded instructions online. For more information on the Iowa capital gain deduction, see the instructions below and Iowa Administrative Code rule 701—302.38.

Part I: Sale of Employer Securities to a Qualified Iowa Employee Stock Ownership Plan (ESOP)

Part II: Details of Property Sold

Line 1. Check the box to indicate whether the employer securities sold were Iowa corporation stock.
