IOWA INDIVIDUAL INCOME TAX SCHOOL DISTRICT REPORT TAX YEAR 2014

This annual report contains information concerning individual income tax for residents of each school district in the state during 2014 and an estimate of each district's surtax base. In addition, this document lists surtax rates for school districts for tax years 2012 through 2015. School districts are listed under the county in which their administration offices are located.

Estimation of Surtax

The surtax base is equal to Iowa individual income tax liability after the application of nonrefundable Iowa tax credits but prior to the application of other refundable credits. The United States Supreme Court ruling in *Comptroller of the Treasury of Maryland v. Wynne*, 135 S.Ct. 1787 (May 18, 2015) held that a tax credit received for tax paid in another state must be applied to local tax liabilities as well as to state tax liabilities. In applying this ruling to Iowa's income surtax, the Department changed its practice in order to apply the out-of-state tax credit, which is nonrefundable, prior to calculating the amount of surtax owed. The Department finished its analysis of the ruling subsequent to the tax year 2014 filing deadline. As a result, the 2014 IA 1040 tax form and instructions did not provide the correct manner of calculating the surtax. We assume, then, that most taxpayers reported the out-of-state tax credit on line 57 of the 2014 IA 1040 according to the Department's previous practice. To determine the correct surtax base for purposes of this report, the Department took the total amounts reported on line 51 of the 2014 IA 1040 and then subtracted the total amounts reported for out-of-state tax credits on line 57. We believe this methodology produces a good approximation of the impact of the *Wynne* decision on school districts for tax years 2015 and later.

Other changes affecting the 2014 tax return include indexation of the standard deduction, indexation of taxable income brackets, and the phase-out of taxation of Social Security benefits. Note that Iowa tax law requires that nonresidents and part-year residents report income from Iowa and non-Iowa sources even though only income from Iowa sources is taxed. Some of the non-Iowa source income is included in the income measures presented for school districts in the case of taxpayers who moved into a school district during 2014 but also had income from outside the state. Thus, while the surtax base for each district is correct, the income for the district may be somewhat overstated. Tax information concerning nonresidents and part-year residents with no school district reported on the tax return is included separately in this report.

The surtax base is not the same as net individual income tax liability as reported in the Iowa Department of Revenue's Individual Income Tax Annual Statistical Report. For that report, net tax liability is defined as line 51 of the 2014 IA 1040 less the refundable credits on lines 57-61 and line 64. Further information about this report may be obtained by contacting the Department of Revenue at (515) 725-1021.

Glossary of Terms Used in this Report

Adjusted Gross Income - Income reported on line 26 of the 2014 IA 1040.

Net Taxable Income - Income subject to tax after adjustment for net federal tax payments and itemized or standard deductions.

Number of Returns - Total number of returns filed; married taxpayers filing separately on a combined return are counted as two returns.

Personal and Dependent Credits - The number of credits claimed in step 3 of the 2014 IA 1040. One personal credit is allowed for each taxpayer, plus one for a spouse on joint returns. One additional personal credit may be claimed by unmarried heads of households, as well as by taxpayers who are age 65 or older or blind. One dependent credit is allowed for each qualified dependent in the household.

Surtax Base - State income tax owed after nonrefundable tax credits, but before refundable tax credits. This is the tax base that should be used to estimate the amount of surtax that could be collected in a school district.
