To request an award, you must provide a copy of the invoice or other document showing the cost of the system, the date the installation was completed, and a copy of the utility completion sheet, along with this completed application.

Completing the form with the requested information does not guarantee that you will be awarded a Solar Energy System Tax Credit. If you request an award before the system is installed, or after May 1 following the year of the installation, your request will be denied. You may reapply after the system is installed. The awards will be issued on a first-come, first-served basis until the \$4.5 million cap for individual and business tax credit awards is allocated.

Once the Department verifies the amount of the tax credit, a letter will be sent to you. The letter will include a tax credit certificate with the amount of your tax credit award and a tax credit certificate number. The tax credit can then be claimed on your Iowa income tax return for tax year 2015 or later by including the certificate number and

credit amount on the IA 148 Tax Credits Schedule. You will also be required to include a copy of the certificate and your Federal Form 5695.

I hereby certify that the facts and figures presented in this application are true and correct.
