## IA Schedule Schedules J1 and J2 Instructions

### Instructions for Schedules J1 and J2 Consolidated Business Activity Ratio:

For each company listed on Schedule I, list their receipts in Iowa and their receipts everywhere. Any adjustments for intercompany transactions or other consolidating adjustments should be shown in the adjustments column. Total the columns for each row, subtracting or adding the adjustments as needed. Use additional Schedules J1 and J2 when necessary.

See instructions for Schedule E for further explanations. Include an explanation if the company has zero lowa receipts but is included in the consolidated group. Companies asserting Public Law 86-272 protection in Iowa should not be included on Schedules J1 and J2. See Schedule M.
